I do not yet have a date when we will be posting the public comments we received during the public comment period for the proposed Dewey-Burdock EPA permitting actions, including the transcripts from the public hearings.

I will email you with info about that as soon as I know!

Dear Valois,

I hope this message finds you well.

I'm writing to inquire as to when you expect the transcripts will be available in the EPA docket for the public hearings which took place in late April and early May in Valentine, Rapid City, Hot Springs, and Edgemont <https://www.epa.gov/uic/extension-public-comment-period-dewey-burdock-class-iii-and-class-v-injection-well-draft-area-0>. Do you know when these transcripts will be posted online?

I appreciate your advice on this matter!

With best wishes,
